28th SUNDAY in Ordinary Time

The Cleansing of Ten Lepers

"Ten were cleansed, were they not? Where are the other nine? Has none but this foreigner returned to give thanks to God?"

Luke 17:17-18

© 2016 Diocesan Publications, Inc.

TWENTY-EIGHTH SUNDAY IN ORDINARY TIME

Reading I: 2 Kings	5:14-17
Reading II: 2 Timothy	2: 8-13
Gospel: Luke	17:11-19

Naaman is healed by faith, and comes to profess his belief in the one, true God. The leper is healed through faith and returns to give thanks and to praise God. Both are healed and both deepen in faith as they proclaim their healing and give praise to the source of healing. Though we probably have not experienced such miraculous physical healing, we have experienced such miraculous physical healing, we have experienced God's healing touch in our lives. If we respond in gratitude and praise, we are doubly blessed. Ten lepers came upon Jesus. All of them believed enough to ask for healing and to follow Jesus' directions. Upon arrival all ten were cured of their leprosy. Yet only one returned to Jesus to give praise and thanksgiving. Only one recognized the true source of the healing, and was thus more fully healed.

From the Pastor

Every parish is asked to support the local missionary work of the Church in a particular region. We do this through a particular missionary appeal each year. This year, we have been invited to support Mother of the Church Parish, in the Diocese of Kabale, Uganda. Fr. Martin Mwongyera will be with us next weekend to speak more about the local needs of this mission. We look forward to welcoming Fr. Martin who is already well known to our parish.

The following weekend, October 22-23, we will celebrate World Mission Sunday, as we recognize the missionary work of the Church throughout the world. Contributions on World Mission Sunday are administrated by the Propagation of the Faith in Rome to support the needs of the faithful in missionary territories across the globe.

Thank you for your prayers and your support of the missions, both in the local Church of Kabale, Uganda, and in all the universal Church.

-Msgr. Gray

CHURCH HAPPENINGS

Applications for new Parish Council members

The St. Thomas Parish Council is an advisory body that assists the Pastor in fulfilling the mission of the parish. Members of the Parish Council serve for a three-year term. Meetings are held during nine months of the year with breaks for Advent, Lent and the summer.

The general purpose of the Parish Council is as follows: The Parish Council promotes our Catholic identity, recommends goals and objectives for the parish, monitors all parish activities for effectiveness, promotes the involvements of the parishioners in the life of the parish, provides awareness of Catholic social teachings , emphasizes service to our parishioners and the community.

Each member of the Parish Council is generally asked to focus on one particular area of our parish life. These areas include: Spirituality, Education, Service, Peace and Justice, Social activities, Family life, Facilities, Communications, and Stewardship.

There are three vacancies to fill. Membership on the Parish Council is open to any registered adult member of our parish. According to our by-laws, those who are interested must submit an application with their name and a brief biography explaining their interests and qualifications for serving on the Parish Council. Applications also require the supporting signatures of ten other adult members of the parish.

Please contact the parish office if you would like to apply. Completed applications are due in the parish office by November 1st. New members will be selected from the applications received after they are reviewed by the Parish Council.

CARING FOR OUR NEIGHBOR

MISSION APPEAL FOR PARISH IN UGANDA

Next weekend, Fr. Martin will be at our parish of St. Thomas the Apostle to preach a mission appeal for his home parish, Mary, Mother of the Church in Myakishenyl, Kabale Diocese, Uganda.

The parish, which serves a rural subsistence farming community, is seeking financial support to construct a Heal Center for the community. The parish plans to construct a Labor and Delivery Ward to save mothers from the burden of having to travel long distances in order to deliver safely and to provide basic health care services for the rural poor like: immunizations, antenatal and postnatal services. Health care is one of the most critical challenges for the impoverished people who live in rural areas as they grapple with life-threatening diseases such as malaria, measles, HIV/AIDS, influenza, typhoid, chickenpox, and tuberculosis. The Health Center, once completed, will be of great service to the community.

The parish is also seeking assistance to support a program for orphans and vulnerable children. Through the foster home care program, the parish provides outreach support to orphaned and vulnerable children. Most of the children lost their parents to MIV/AIDS and were left to fend for themselves. So the parish started a program to provide these orphans and vulnerable children with school tuition, scholastic materials, clothing, and health care services. The parish is currently supporting 150 children out of more than 1,000 who are greatly in need.

Both programs began Wednesday, October 5 at 7:00 pm. We meet in the school library/classroom. If you are aware of anyone interested, have him/her call Sr. Rachel at 688-3446.
