Happy Feast day of the Ascension of Our Lord! This weekend we celebrate our last Donut Sunday before the summer break. Donuts are available after all the Sunday morning Masses, but our 9 AM Mass will be assisted especially by our 7th grade students from St. Thomas grade school and CCD.

Please sign up this weekend for Step Out with St. Thomas if you want to attend. Dinner and dancing will take place below the church after the Saturday evening Mass on June 8.

We also look forward to the Women's Retreat, Women Who Pray, on Thursday night, June 13. Please see the details in the bulletin to pre-register.

As was mentioned last week, we have begun our summer parish hours. The parish office will close at 3 PM instead of 4 PM. We will lock the church doors at the same time. During this school year, we met with consultants from law enforcement about our school security procedures. They encouraged us not to leave the church unlocked when the building is unoccupied. However, we will leave one door unlocked for those groups that have an evening meeting scheduled in the church. If you have any questions, please contact the parish office.

## Summer Hours

During the summer months the church will be locked at 3:00 p.m. each day. The Parish Offices will be open from 8:30 a.m. to 3:00 p.m. Monday through Friday.

## Personal Holiness

By virtue of the tenets of our Catholic Christian faith, we are each called to personal holiness. We are each called to embrace works of charity as a way of serving Christ. Through your prayers and financial assistance to the Society of St. Vincent de Paul at St. Thomas Church, you respond to the call of personal holiness, as do the members of the St. Vincent de Paul Society.

The essence of the service administered to the poor through the Society of St. Vincent de Paul is the home visit. During a home visit, the St. Vincent de Paul visiting team listens to the problems of the needy with an open, nonjudgmental heart. We ask questions, assess need, offer resource information and usually pay the bill, or a portion of the bill that has put the client in difficulty. There are many reasons for which people find themselves in financial difficulty. Very often, the reason is a medical issue. When those in minimum wage jobs miss work, they don't get paid, no matter the reason for missing. Temporary loss of salary leads to a downward spiral of financial problems.

The story of one of our most recent clients, Jean, relates to her cancer diagnosis and treatments. During her seven months of chemotherapy and radiation, Jean could not work. Her adult children helped with expenses during that time, but their financial help could not continue. Jean called the St. Vincent de Paul Society for help. We took food to her from our food pantry and listened to her story of treatments and illness. When we met Jean, her doctor had finally given her permission to go back to work. We gave her information on job openings, a spending plan, and we paid her rent for the month. When we left, Jean felt very hopeful and ready to get her life back to a new normal, that of a cancer survivor. We told Jean to contact us if she needed additional resources.

Stories like Jean's abound. It is for this reason that the Society of St. Vincent de Paul exists, and it is for this reason that we rely on and deeply appreciate your support.

The next SVdP collection will be the weekend of June 1st and 2nd.

## Opening for Band Teacher

Part-time band teacher/director wanted for St. Thomas School. Position begins August 10, 2019. ## Totus Tuus June 30—July 5

Totus Tuus instructs young people in the basic tenets of the Catholic faith to cultivate both a firm intellectual grounding and a solid personal relationship with Christ. We have a Totus Tuus team coming to St. Thomas the week of June 30th. Grades 1-6 will participate during the day and grades 7-12 will meet in the evening. Registration materials are available on the tables in the back of church, as well as the school and parish offices. Questions? Contact Molly Legaspi or Maureen Bentley at 685-2533 or mollylegaspi@stthomas-school.net

Totus Tuus encourages young people to begin discerning God's call in their life to be married, a priest, a religious, or single. Totus Tuus demonstrates that one can be a faithful, practicing Catholic and still have fun. Summer of 2018 was our first year offering this parish mission for our youth and those who participated found it was a great opportunity to grow together in faith.

Totus Tuus was so much fun. They taught me how to pray and I learned more about God. I got the chance to see my friends from St. Thomas school and met new friends too. I'm happy playing with them and will do it again this summer. Christina-1st grade STS

Totus Tuus may sound like a religion class in the summer, but it is much more than that. Totus Tuus gives you an opportunity to grow in your faith. There are fun activities and talks to teach you more about your faith. Plus, you get to go to confession, which is always good for your spiritual life. Totus Tuus has all of this and much more in store for you.
Ellie-7th grade STS

Totus Tuus was an enjoyable experience. The Totus Tuus adult volunteers were welcoming people, and they strengthened my faith in Jesus Christ. I enjoyed the teamwork activities where I got to interact with other teens my age and have lots of fun.
Carmela-9th grade PND

## WaterStep

Through the collection of shoes WaterStep (www.waterstep.org) helps fund water treatment systems in third-world countries. Illinois American Water has asked St. Thomas the be a collection site for this program. We have a collection box where you can leave new or gently used shoes including flip-flops, sandals, tennis shoes, etc. All donations will be given to WaterStep. They sell the shoes to an exporter and use the profits to fund water treatment systems. Through the exporter, the shoes are sold by merchants to provide a sustainable living for their families. By donating shoes to WaterStep, you'll help fund water projects that save hundreds of thousands of lives in the world's poorest countries.

## Invest in Kids Scholarships

On May 21st, Pat Wombacher represented St. Thomas Parish in Springfield to meet with state legislators about the importance of the Tax Credit Scholarship to our families. This was part of an organized effort by Empower Illinois to show support for this program. Throughout the month of May, 100 family members, students and school leaders throughout the state have joined in this show of support for the Tax Credit Scholarship through the Invest in Kids Program. They have met with 99 of our state legislators to remind them how vital the Tax Credit Scholarship Program is to thousands of Illinois families.

During the past school year here at St. Thomas we had 32 students from 19 families receive an award through the Invest in Kids Scholarship program. This was a tremendous help to the families. So far for the upcoming school year we have had 5 students from 3 families receive awards. We have another 75 students who have qualified and are on a waiting list.

What we need now is more donations in order to help more of our families. If you are interested in making a donation to the Invest in Kids Program and in return receiving a 75% tax credit on your 2018 Illinois income tax return please contact Pat or Julie in the parish office (688-3446) and they can help you. We are grateful for the support given to our students by our generous parishioners.
